Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is a copy of a European search report issued in a corresponding European patent application and copies of two (2) prior art references cited therein. For the Examiner's convenience, we have enclosed a completed Form PTO-1449. Applicants do not submit herewith a copy of the U.S. patent references, as this is no longer a U.S. Patent Office requirement.

Although the European Search Report cites one additional reference, US 6,307,447, applicants do not list it on the enclosed PTO-1449 as the reference was cited in an IDS previously filed with the USPTO on December 7, 2004.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application.

Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the disclosed examination report be made of record in the subject application.

Respectfully submitted,

Attorneys for Applicant(s)
